

Beyond Abilities Centre

OUR MISSION – To maximize functionality of all individuals regardless of age or ability.

OUR VISION – To provide opportunities for people of all ages and abilities, by bridging the gap between funding and services.

ABOUT US – Our beliefs, people with disabilities must be respected and given equal opportunity in every domain in life.

BAC provides a variety of therapeutic and recreational programs; social and leisure opportunities, resources on funding, respite referral, workshops and other special needs information.

OUR GOAL – To build an integrated, multifunctional centre for individuals of all ages with disabilities, primarily for those with a physical disability.

Many people with a physical disability desperately need the support of our wonderful community. Your support at the GT will go to supplying physically disabled individuals with much needed support and services, programs from Horseback Riding, Martial Arts, Suit Therapy (*a program that improves mobility*), and furthering community awareness.

Where does the money raised go? **GREAT QUESTION!** BAC committee is comprised of 100% volunteers. Aside from operating costs, every dollar we raise goes straight to direct support.

Come out for a **FUN DAY** and support our event. We look forward and hope to see you there!
