

Beyond Abilities Centre

Our mission is to build an integrated, multifunctional centre for families and individuals of all ages with special needs, primarily for those with a physical disability. BAC provides a variety of recreational programs, as well as social and leisure opportunities, and has resources on funding, respite referral, workshops, and other special needs information.

With your support, we will be able to sponsor individuals to participate in our recreational programs improving their lives. Our community partners and BAC now offer horseback riding and martial arts programs.

*Come out for a **FUN DAY** and support our event. With your help proceeds will go towards our recreational programs, financial assistance and the building of our NEW Centre in York Region.*

We look forward and hope to see you there!
