

Beyond Abilities Centre

Our mission is to build an integrated, multifunctional centre for individuals of all ages with disabilities, primarily for those with a physical disability. BAC provides a variety of recreational programs, as well as social and leisure opportunities, and has resources on funding, respite referral, workshops, and other special needs information.

With your support, we will be able to sponsor individuals to participate in our recreational programs improving their lives. Our community partners and BAC now offer horseback riding and martial arts programs as well as suit therapy a program that improves mobility.

*Come out for a **FUN DAY** and support our event. With your help proceeds will go towards improving and expanding our programs & services, and the building of our **NEW Centre** in York Region.*

We look forward and hope to see you there!
